
Part D: What is Medicare Part D?

- Medicare Part D is optional prescription drug coverage for everyone with Medicare Part A and/or B
- PDP's are run by private insurance companies approved by Medicare (Like MA plans)
- If beneficiaries decline to enroll in a Medicare drug plan when they are first eligible, they may be penalized. (1% of national average per month)
- Beneficiaries sign up when they first become eligible for Medicare, or during the AEP
